

“GET ON THE SUSTAINER BUS”

When we think about riding a bus, we’re transported back in time to our childhood days of riding a school bus home after a long day or eagerly awaiting our children’s return at the bus stop. It could be taking a bus to a new job or on a downtown shopping trip with a loved one. Memories also come to mind of group outings or field trips, a sorority ski trip or perhaps a class field trip to a place of historical significance. No matter what memory bus trips conjure up, there was usually a group involved and new things were likely learned.

As Sustainers, we’re a group of women that come together after taking many different “bus rides” in life to support our community and our beloved Junior League of Cincinnati. We impact infrastructure by designing projects to meet our community’s needs, we open doors to welcome people, sit next to others to reconnect with friends, learn from those that have driven before us and pave the way for the riders that come after us.

As we look ahead to the 2024-2025 JLC year, we invite you to “Get on the Sustainer Bus” both literally and figuratively. You can literally ride the bus with us by volunteering to be involved with the New Member Bus Tour that is returning this fall. We’re also excited to bring back the Tour of Kitchens Bus Tour on November 16. In the Spring, we’ll take the bus to Lexington to admire the beautiful horse country and try our luck at Keeneland.

For those who prefer to keep their feet planted firmly on the ground, we’ll have our Witchy Wine Tasting Kickoff, our Holiday Luncheon at The Cincinnati Woman’s Club, and our beloved Annual Sustainer Luncheon at the Cincinnati Country Club. We’ll have opportunities to volunteer with Adopt-a-Class or gather with friends for a book or garden club.

We hope that you enjoy these Pink Pages and that you find activities that are of interest to you. We are honored to have you as part of our Junior League Sustainer Community and look forward to seeing you on the bus during the 2024-2025 year. Please reach out to us, or our Council Chairs, if you have any questions about this year’s events.

Warmly,

Kathryn Harsh '91 and Emily Headley '13
Co-VPs of Sustainer Council
SustainerCouncil@jlcincinnati.org

FROM THE PRESIDENT

In learning that this year’s Sustainer theme was “Get on the Sustainer Bus”, I couldn’t help but smile. “Get on the bus” brought back school time memories. Conversations starting with “sit with me”, “let me tell you something” and “I have something to share with you”... welcoming, warm, and full of wisdom. I don’t think there could be a better parallel for the work that you, the Sustainers, do for the League and for our community.

This year we are so excited to begin our journey with our new community project, HER Cincinnati. Our teams are already working together to sketch out plans to build and support the HER Collective, a program that will empower HER’s women to launch their entrepreneurial endeavors. This mutually beneficial partnership will provide opportunities for JLC women to lend their wisdom, share their warmth, and provide a welcoming system to HER’s clientele. We would love to leverage you and your gifts on this important project!

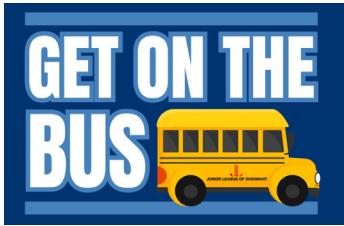

This year we’re also putting a renewed emphasis on training, including fundraising trainings and enhanced board bank trainings. We are looking at ways to expand our educational reach and provide opportunities for our extended network of past projects and community partners. We’re continuing to put hard work against our strategic plan and our DEIB organizational plan, both now in their second year.

We’re continuing to celebrate and educate our members on our exceptional list of past projects and I am thrilled that we’re reinstituting our New Member Bus Tour – with your help! It is because of you, our Sustainers, that we have an amazing living legacy and the resources to continue fueling it.

Thank you for all that you have done, and all that you continue to do, to keep our League rolling. Enjoy the drive! With gratitude,

Kelly Barber

Kelly Barber '13

We are looking forward to our bus-themed year of adventures. Surely, many of us can recall fun experiences on a bus ride! These new bus tour adventures in the fall, winter and spring are the framework around our many events planned for 2024-25. As loyal JLC members, each of you is invited to take part in Sustainer programming events from bus tours to the "Witchy Wine Tasting" to Gourmet cooking classes to our Thanksgiving Flower Arranging, etcetera, etcetera! Our programming menu is designed to appeal to different interests as we stay connected through our Sustainer Sisterhood and the Junior League of Cincinnati. We are looking forward to a great Sustaining year with each one of you, so please take a look and sign up to "ride along with us" during the new JLC year.

FACEBOOK: Pam Skinner '71

We have a private Facebook group just for Sustainers! It is a great way to catch up, ask questions and advice, and reconnect with League friends. We also put events and pop-up events here if you are looking for someone to go with, just ask! How do you join? It is very simple and if you have problems we are here to help!

1. If you aren't a member of Facebook, sign up.
2. Go to www.facebook.com/groups/jlcsustainers
The name of the group is Junior League of Cincinnati Sustainers (if you are searching for it on Facebook) and it has a red banner with the name on it.
3. Select that group. You will be asked 3 questions. Please answer all three questions, this is for the group's security. Pam Skinner, JL member and administrator of the group, will verify that you belong to the Junior League of Cincinnati.

We know some of you don't use Facebook... but you only need to have one friend and only use it for JLC Sustainer Discussions. We hope you will join and participate! Questions, email [Pam Skinner @ jlceblast@gmail.com](mailto:Pam.Skinner@jlceblast@gmail.com)
